ABOUT THE CLUB

WANNEROO WANDERERS 4WD CLUB INC

The Wanneroo Wanderers 4WD club is an enthusiastic group of people who have banded together to enjoy 4WD trips and excursions while conserving the natural bush ecology.

Club membership comprises families and individuals of all ages. The range of club activities caters for the novice as well as the experienced drivers. Activities include social functions, day drives, weekend and extended trips both on and off road at various times during the year.

Club members use a range of camping options from tents, troopies, camper trailers and caravans. The club has no preference to the make of 4WD vehicle owned. Personal and vehicle safety during club events is of the utmost importance. Where possible proposed trips are thoroughly planned and surveyed in advance.

The club is an affiliated member of the WA 4WD association and we support the aim to promote 4WD vehicle owners as responsible, community spirited people concerned with conservation and the environment.

The club Meets at the Warradale Community Centre, Warradale Terrace, Lansdale on the first Wednesday of each month except for January when it is held on the 2nd Wednesday commencing at 7:45pm.

Visitors are always welcome to attend meetings and club events. Prospective members are encouraged to attend two club meetings and two club activities before applying for membership.

If you wish to obtain further information about the club, please feel free to contact us at

EDITORIAL

Hi folks

Apparently it was one of the hottest summers weve had. Well I didn't notice, but im sure there is still a bit of hot weather to enjoy over the Autumn months

This edition is a bit light on, but everything I have received has been included. To make this an enjoyable read it would be great if everyone could send in a little something – even if its already been on facebook.

Bring on all the great social events and trips we have planned and see you out there

regards

NEW YEARS BRUNCH AT WATERMANS BEACH

NEW YEARS BRUNCH AT WATERMANS BEACH
SUNDAY, JANUARY 6

Instead of having the brunch in Mandurah as we have done for the past few years, we decided to revert back to our original venue of Watermans Beach, as it gave most of our members living in the northern suburbs an easy drive. Unfortunately it fell on one of the hottest days in Perth and the beach was packed. Not just Watermans but every beach we drove past!! Parking was almost nonexistent..... a few of us managed to jag spaces just as other beach goers were leaving.

We had a small group in attendance and this is where we first met Audrey and Vlado. It was also where we learnt that John and Liz had got engaged. Plenty of ooohs and aaahs checking out the engagement ring. Also; where we heard that Mark and Stella had gotten married. See what happens if you don't turn up to events, you miss out on first hand info/gossip!

A number of members did try to get to the brunch but were stymied by the lack of parking, they phoned to say they were going back home.

For those of us there we enjoyed welcoming in 2019 grazing on picnic foods and drinking coffee.

One of the members, who shall remain nameless, didn't read the email correctly and drove down to Mandurah to enjoy the brunch; luckily he did take his canoe/kayak and spent some time paddling around the estuary.

For 2020 I think we will go back to Mandurah or Falcon Bay as there haven't been any issues with parking there and members seem happy to have a day out driving..... and who doesn't love the Mandurah lifestyle, with beautiful waterways, awesome cycling/walking tracks, beaches, fishing, paddling, crabbing and more. I know that Archie and I LOVE IT!

AUSTRALIA DAY WEEKEND IN PEMBERTON 2019

Once again the Club was invited to camp out in the Zeffert's paddock in Pemberton for the weekend.

There was a good turnout the first night with Kym & Glenda, John & Marlyn, Alan & Carol, Dave & Sue, Joe & Elisa and Archie & Karen arriving. Ken & Linda also camped out in the paddock for the first time. Tony & Jenny made a late entrance and took an age to find the perfect spot to set up! It was great to catch up with a few drinks on the deck after dinner. The weather looked to be a bit threatening but we were lucky in that there was no rain or wind but it was cold. Got down to 6.4 degrees overnight!

We woke on Friday to a nice sunny day. Ken & Linda headed off to a brunch with some of their Pemberton friends. Those remaining went off to Jarrah Jacks for lunch – an early celebration for Marlyn's birthday on the Monday. More folks arrived during the day with Alan and Alison the last to arrive quite late. There was a big contingent now including visitors Audrey & Vlado and new (returning) members Paul & Deb. There was a big group for happy hour on the deck and then more drinks after dinner for those who could manage any food at all after the usual huge serves at Jarrah Jacks! Paul & Mirella arrived lateish, just in time for a drink before bed. Not too late a night!

The early birds went off to the free community Australia Day breakfast at the Pemberton Pool on the Saturday. Reported to be a good brekkie (bacon & egg roll with a fruit juice). The rest of us had a sleep in and a leisurely breakfast at the camp. The Linds & Arrigos went off with Vlado & Audrey to show them the sights – Big Brook Dam, etc. Happy hour was held early at the Pemberton Pool while we attended the free concert which started around 3.30. Lovely evening with music and Millers icecreams. Back to camp for dinner & drinks. Not too cold tonight.

On the Sunday the adventurous of our group undertook a trip down to the beach via the Yeagerup Dunes. Thanks to the many helpers who assisted Linda in clearing out the garden bed around the lemon trees and in getting rid of the cobwebs around the house and deck! There was a bit of excitement when Ken dug through the main waterpipe for the house but thankfully Elisa was there to show him how to fix the pipe (she apparently has much experience as a result of Joe's digging habits)! Thanks also to Dave for filling in the hole! An afternoon rest was in order while we awaited the return of the 4 wheel drivers. Audrey was very excited about the 4 wheel driving – she is definitely a convert. Bob had a bit of trouble making it up the dunes but got there with a bit of assistance. It turned out to be quite a hot day and a lovely night. We had a shared dinner on the deck with an amazing array of food and much fun & frivolity as usual.

Monday saw everyone heading back home or off on further travels. Until next time!

Well It was Valentine's Day again where we celebrate all things LOVE and 18 "loved-up" revellers were at Ron and Angie's with a sea of red knickers, shirts and hats. It was disappointing that more many members indicated that they would be attending and were catered for when organising desert, but, rest assured, Joe ensured that any spare pavlova was duly dealt with.

The festivities started around the pool with (several) drinks, nibbles and a swim for those prepared to join the dogs in the pool. And when it was time to fire up the BBQ for dinner, in true Wanneroo Wanderer style, there was an abundance of yummy salads to enjoy and, of course, desert.

Our illustrious social coordinator then got us to write down 2 facts about ourselves which were true and 1 which was false and then everyone trying to guess who they related to. And, for the record, it is not true that Joe has been married more than once!!!

Next was pin the heart to the heart – a Valentine version of pin the tail on the donkey. It is amazing what you can get away with when you are blind-folded !!!!

With all but Kerri and Steve staying the night, it was safe to sample some of Joe's scotch – not sure that I was thanking you on Sunday morning though, Joe.

It was a very enjoyable night and many thanks to Ron and Angie for their great hospitality and opening up their home for us all to enjoy the evening and of course, thanks to Karen for bringing it all together.

FUNNIES

RETARDED GRANDPARENTS - (this was actually reported by a teacher)

After Christmas, a teacher asked her young pupils how they spent their holiday away from school. One child wrote the following:

We always used to spend the holidays with Grandma and Grandpa.

They used to live in a big brick house but Grandpa got retarded and they moved to Batemans Bay where everyone lives in nice little houses, and so they don't have to mow the grass anymore!

They ride around on their bicycles and scooters and wear name tags because they don't know who they are anymore.

They go to a building called a wreck centre, but they must have got it fixed because it is all okay now.

They do exercises there, but they don't do them very well.

There is a swimming pool too, but they all jump up and down in it with hats on.

At their gate, there is a doll house with a little old man sitting in it. He watches all day so nobody can escape. Sometimes they sneak out, and go cruising in their golf carts!

Nobody there cooks, they just eat out.

And, they eat the same thing every night --- early birds.

Some of the people can't get out past the man in the doll house. The ones who do get out, bring food back to the wrecked centre for pot luck.

My Grandma says that Grandpa worked all his life to earn his retardment and says I should work hard so I can be retarded someday too.

When I earn my retardment, I want to be the man in the doll house. Then I will let people out, so they can visit their grandchildren. PRICELESS!

Remember to send this to all your "retarded grandparent" friends and give them a laugh too!

Some days I amaze myself.
