WANNEROO WANDERERS 4WD CLUB INC

The Wanneroo Wanderers 4WD club is an enthusiastic group of people who have banded together to enjoy 4WD trips and excursions while conserving the natural bush ecology.

Club membership comprises families and individuals of all ages. The range of club activities caters for the novice as well as the experienced drivers. Activities include social functions, day drives, weekend and extended trips both on and off road at various times during the year.

Club members use a range of camping options from swags, tents, troopies, camper trailers and caravans. The club has no preference to the make of 4WD vehicle owned. Personal and vehicle safety during club events is of the utmost importance. Where possible proposed trips are thoroughly planned and surveyed in advance.

The club is an affiliated member of the WA 4WD association and we support the aim to promote 4WD vehicle owners as responsible, community spirited people concerned with conservation and the environment.

The club Meets at the Warradale Community Centre, Warradale Terrace, Lansdale on the first Wednesday of each month except for January when it is held on the 2nd Wednesday, commencing at 7:45pm.

Visitors are always welcome to attend meetings and club events. Prospective members are encouraged to attend two club meetings and two club activities before applying for membership.

If you wish to obtain further information about the club, please feel free to contact us at:

CODE OF ETHICS

1. Obey restriction on use of public lands. Respect national parks and other conservation areas, (i.e. DPAW, Water Authority, Fire Authorities).
2. Obtain permission before driving on private land. Leave livestock alone and gates as found.
3. Keep to existing tracks where possible.
4. There shall be no deliberate destruction of trees, shrubs, or wildlife. Respect our wildlife, stop, look, and observe but never chase animals.
5. Use a well-worn campsite to minimise impact on the environment.
6. No firearms to be displayed or used in campsite or prohibited areas.
7. No unofficial competition or displays of "4WDing" shall take place during trips without permission of the trip leader.
8. At club functions members shall obey verbal instructions and visual signs erected by the organisers.
9. Drive very slowly within camp area.
10. When answering the calls of nature, members are asked to take the shovel and bury the result at all times. Ladies are respectfully requested to dispose of their paper hygienically. (i.e. rubbish container or campfire).
11. Keep the environment clean. Be prepared to carry out all the rubbish you take into un-serviced areas.
12. All members are requested to comply with the above code.

"OK, one more time and it's off to bed for the both of you. . . 'Hey, Bob. Think there are any bears in this old cave?' . . . 'I dunno, Jim. Let's take a look.'"

CONVOY PROCEDURE

1. Fuel tanks must be filled prior to start of trip.
2. Before moving off from a designated departure point the trip leader will appoint a tail-end Charlie.
3. At All turn-offs, vehicles shall wait until the following vehicle is aware of the former's intention. Periodical checks for the following vehicle must be made as per convoy procedure.
4. Persons leaving the club convoy MUST notify the trip leader and if possible, give details of their intentions.
5. No vehicle in the convoy is to pass the lead vehicle.
6. When travelling in convoy on the open road, the distance between vehicles shall not be less than six vehicle lengths and keep the vehicle behind in sight at reasonable intervals.
7. At nature stops the rule to be followed is ladies to the left - gents to the right.
8. In recovery procedures to avoid injury to personnel the drivers of the vehicles involved shall ensure that the immediate area is cleared.
9. All persons travelling in convoy must be inside a vehicle

A LITTLE BIT ABOUT Phill Anderson

Q. How long have you been a member of Wanneroo Wanderers and why did you join?

Q. Do you have a favourite club activity and why?

A. Driving tracks in old growth forests.
The beauty of old growth forest and the smells.

Q. What interests and hobbies do you have outside of Wanneroo Wanderers?

A. Sailing (South of Perth Yatch Club member for 18 years) surf skiing, bush walking, water Skiing,

Q. What interest or hobby would you get into if time and money where not an issue?

A. Golf and more overseas travel.

Q. Is there something that your friends wouldn't believe was true about you?

A. Don't enjoy public speaking.

Q. If life is a game like some people say, what are some of the rules?

A. Must be adventurous and keep it outdoors.

Q. Is there something you like to do the old-fashioned way?

A. Handwritten lists.

Thank you Phil for taking part in our article. We look forward to more Wanneroo Wanderers taking part in our future magazines.

Foreign Correspondents

By Archie Lind....

Many people come and go throughout our lives, some for a short time, some for a long time. If we are lucky, a few will go on to become good friends that we will know for many years, maybe even a lifetime.

For Karen and I, one such couple are Nic and Ina Fischer from Germany. We first met them while they were travelling around Australia on a working holiday – I can't remember the exact time but I think it was about 2010. Ina had a job as a nanny and Nic I think was doing IT website type work. They stayed in Perth for a year or so mostly living in their camper.

They bought a Troopy which had been converted to a camper with a high fixed roof. This became known as the ice-cream van. Nic and Ina decided they need-

ed to know more about four-wheel driving in preparation for their travels and came along on many Wanneroo Wanderers trips and social events. I don't recall how they found out about the club or why a pair of twenty somethings would want to hang around with a bunch of oldies like us. But I'm very pleased they did. They joined in everything and brought a youthfulness to the club. Nic and Ina lifted the spirits on many trips. Ina was always on the two-way radio with a riddle, quiz or joke. And Nic's pole dance at the Valentine's Night was hilarious.

During their trip around Australia and after they returned to Germany, we kept in contact via email. In 2018, Karen & I and Joe & Elisa did a trip to Europe. As part of that trip, we drove from Croatia up through several countries and ended up in Germany.

Nic and Ina live in a very historic city called Braunschweig about 250km from Berlin. (not to be confused with Braunschwig as our GPS did!!) Ina arranged a unit for us to stay in, as their apartment was quite small and they also now had new additions to the family, Luka and Marc - two fantastic little boys that are full of fun and already starting to master two languages. That was a wonderful few days and they were great hosts and tour guides.

In March 2019, they brought the boys on a long holiday around Australia to meet many of their friends and to show the boys the type of adventures they had enjoyed in Australia. They stayed with us for a few days and while here came to a WW social night at Barb Lynch's new house.

Nic and Ina now have a third boy, Mateo, born in November, so probably no holidays for a while now. I told Ina to get a girl dog to even up the numbers a bit! I'm not sure when we see them again but we keep in touch regularly and Ina sends us lots of pictures with all of their adventures in it. I think they will be thrilled to see this magazine article about them.

TRIPS AND SOCIAL REPORTS

Ledge Point

Very Amateur Golf weekend

Oct 28-30 2022

By Archie Lind

This weekend is one of the longest running social events. It started back in 2006 and has taken place almost every year, normally in May or October/November. Normally it is a very well-attended event but this year it was held only a few days after an extended Bremmer Bay trip so numbers were down a bit.

Seven couples arrived Friday afternoon and set up caravans in cool, very windy but sunny weather. Happy hour drinks were downed before going to Country Club for dinner. As usual, the food was very good with quite big servings. Deb struggled to finish her meal so Joe helped her out. After a few more reasonably priced drinks we headed back to camp. It was too cold to sit outside for long so most had an early-ish night.

Saturday morning tee off for golf was at 10.00am and it was quite windy and cold. Only 5 people teed-up for the golf this year – Cheryl, Bruce, Neil in one group, Phil and Archie in the other. Karen was the caddy and lost ball finder. She was very busy!.

Cherril won the ladies competition again this year with 2nd place nowhere in sight. She would like more ladies to play in future please. Surely there must be some others that can hit a golf ball – good, bad or otherwise.

As expected, Neil blitzed the field being a twice-weekly golfer playing off an 8 handicap. Bruce was in 2nd place in the men's competition.

Annual golfers Phil and Archie got good value for money with lots of shots. We were lucky the rain held off for the whole morning. The club golfers in the afternoon weren't quite so lucky.

Saturday afternoon was a mixture of walks, sleeps and the Lancelin bakery. Still being very cold outside we retreated to the recreation room for happy hour and a games night of Pictionary, Trivia Quizzes and a Know Your Partner questionnaire

Pictionary – what a laugh – thank goodness we don't rely on artistic ability for a living.

There were certainly lots of puzzled faces and head scratching at some of the more obscure artistic efforts. There are a couple of examples in the pictures – see if you can guess them.

Trivia Quizzes were from the West Australian Newspaper magazine which saved the research effort and meant the answers couldn't be challenged. Thank goodness we don't rely on general knowledge for a living - Or listening or paying attention skills for that matter. I couldn't believe how hard it was to ask a few questions to a small group of people.

1point (easy) quiz winner, Neil 11 out of 14. 3point (hard) quiz winner, Bruce 6 out of 15

Know Your Partner questionnaire. It was surprising how much or little some people knew about their partners. Especially as we have all been together for quite a long time. Maybe we paid more attention as newlyweds. But it made for lots of funny answers and reactions. Winners were Keith and Marian. But then they've been married for 600 years.

The funniest line of the night was in answer to the question, "What colour underwear is your partner wearing today?"- Grey with a brown stripe.

We were certainly getting a few strange looks from the other campers who came in to play pool. Lots and lots of chocolate was given out as prizes and devoured on the night. Neil might be a good golfer but I'm not sure about his tastes. He said there was too much chocolate!!

The rec room lights go out automatically at 10.00 so that killed the evening a bit earlier than I think would have been expected. Saturday night was very wild and windy with lots of rain. Even the stabilisers didn't keep the caravan steady. It was a fairly sleepless night for most people. Even worse for the poor campers sleeping in tents.

On Sunday morning 3 couples returned home for various commitments. Due to the wild weather there was no interest in doing a beach or sandhills drive that we sometimes do.

So not having much else planned, Neil, Phil and I decided to have another round of golf with Karen caddy and ball hunting again. In the middle of the first fairway we had an uninvited visitor, a very large brown snake which slithered across right in front of us. Karen didn't go looking for lost balls any more.

On the fourth hole we had another uninvited guest, heavy rain. Phil didn't have an umbrella but said it was just like a New Zealand summer and was happy to continue on. By the fifth tee it was pouring rain and blowing a gale, so we decided to abandoned the game.

Since the only place open in Ledge was the general store, we decided we would take another afternoon drive up to Lancelin for coffee and the bakery. Which of course was followed by another afternoon nap. Sunday night was more happy hour drinks and chats in the rec room with lights out again at 10.00.

In a "It's a Small World" moment - We were joined at happy hour by another couple staying at the caravan park – Larry and Lyn. Larry came over in the afternoon to ask some questions about our 4WD Club to see if it was the type of club they might be interested in. When we asked his name to email the Event Calendar, I replied "I know you!". When I told him my name he said "I know you too!". By coincidence Larry went to the same schools as me and Neil and we had many friends in common. So that was good for a bit of reminiscing. And by bigger coincidence, Lyn worked with my Mum at Woolworths Morley. I also worked there as an after-school job and went out with Lyn for a while back when we were 16/17 but I hadn't seen her since then. Definitely a small world.

Monday morning Neil and Deb headed north to Dongara for a few days and the rest of us headed home to clean up and dry out the caravans. Karen traced this event back to 2006 with many staying in onsite units, tents and campers back then. Over the years it's certainly been the scene of lots of laughs, shenanigans, funny competitions and even a bad movie night!!!

PS. the Pictionary answers are Octopus and Esky

LENNARD TRACK – COLLIE

Russell Crook

As the Lennard Track was still closed, I snuck down on Thursday night and camped at Honeymoon Pool so that I could do additional 'sus-out' on Friday morning. Although Honeymoon Pool is DPAW and tents only, it is a beautiful spot and well worth the visit, even if only for a day visit.

Friday morning, I hit the tracks to check out the path without going on the Lennard Track. It was planned to do this section on the Saturday however it transpired that many tracks were to be closed because of a MTB event so the plan was amended to Sunday. What wasn't planned was forgetting to shut my canopy door and wiping it out on a tree. A few bad words were said. After I completed the planned path and confirmed it fitted the plan, I adjourned to the caravan park where many hands assisted in panel beating the door by taking it off and jumping on it to straighten it out to be able to be closed. Thanks to everyone that helped Ray Z & Keith who provided the main technical skills. Once all had arrived by mid evening, we had 13 vehicles.

A sleepy Saturday morning was disturbed by the rumble of Reece's (Neil & Deb's son) big F250. The group departed at 9.30am and headed for a nearby powerline run where within minutes the first recovery was underway. Rob had managed a wrong line and it was starting to feel like it could be a long day. After Rob was recovered and coached on a correct line we continued the powerline and the original Collie River scenic track to Minnipup Pool for morning Tea. We then continued on the bitumen to the next powerline run and onto a gnarly tight climb that we all completed including the F250 with a couple of 10-point turns. After the excitement of the climb, we adjourned to a spot-on Wellington Dam for Lunch. Reece again interrupted the serenity with starting his generator so he could have toasties for lunch!!

Lennard Track cont.

After lunch we loosely followed the reverse direction of the morning's run with us all descending the steep hill which was handled well by all except Therese managed to modify a rear bumper. We continued back towards town on the bitumen before a short sandy powerline run to the Caravan Park where Steve & Lean had arrived and we adjourned for happy hour.

Sunday morning kicked off a little after 9.00 am with a run to Honeymoon Pool area crossing the bridge and beautiful bitumen climb up River Road to Lennard Rd and the 'Not the Lennard Track' section. We continued on Lennard Rd to the north fence line and adjourned for morning tea at a terrific lookout, also the spot I wiped out my door. We continued following the fence line west with views to the sea and some moderately steep climbs and descents. Lunch was taken at the top of Henty Rd where someone has created a mini-Fairyland in the clearing and trees in the area. Think Gnomesville on a smaller scale. After Fairland was explored we headed south along the fence line. This track has a number of steep climbs and descents and a couple of tight pinches around obstacles that need some spotting, but damage was avoided by all. Views again on this section were spectacular. Traction was good as the track was dry, it would be very interesting if it was wet. After the fence line we exited onto Pile Rd before heading towards the dam and another scenic drive along Lennard Drive but to Honeymoon Pool for Lunch. On our way into the area John S had noted that an old favourite track of the club was still open, it was decided we would explore this as our final run for the day. More climbs and descents were incurred with good views as a reward. Whilst pumping up our tyres we were surprised by a little VW Polo heading in and wanting to get through our group. I hope he knew where he was going.

Tyres pumped we headed to the highway and drinks were called at the Caravan Park at about 4.00pm

An enjoyable trip appeared to be had by all with many smiling faces in the group.

November - Mini Golf & Dinner:

The Mini Golf was very well attended by 38 Members and 2 young visitors, it was a tightly scored event.

Some members and visitors where so excited to play they arrived just after 3pm when the arrival time was 3.30pm.

There was lots of laughter with Ough's & Augh's along with well done or unlucky around the courses, with no one getting away with not counting their strokes!

We had free entertainment along with way by a Scottish Bag Piper, who happened to be there for a wedding.

Therese & Keith Richards on Billiard Course
